DIREZIONE GENERALE

Ufficio Tempi

The Municipality of Crema, in order to get closer to the specific needs of the Citizens, especially for families with young children, is launching a pilot project named "Times of the Cities" .

In order to enable targeted actions, we kindly ask you to fill this format concerning extracurricular activities in which your children are involved. The types of activities may be: sport, musical, artistic, cultural (eg course of foreign languages or activities proposed by the library) or other activities (eg *Grest* proposed by local parish, *Insula dei bambini* or more). Please fill a questionnaire for each one of your children (from 3 to 14 years). You can put up to two extra school activities for each.
